

28TH ECNP CONGRESS AT A GLANCE

TIME	ROOM	SATURDAY 29 AUGUST	SUNDAY 30 AUGUST	MONDAY 31 AUGUST	TUESDAY 1 SEPTEMBER
07.45-08.45	D201 D202 D203		Brainstorming sessions BS.1 Inflammation in psychosis BS.2 Signal detection in RCTs BS.3 Transmitters in cognition	Brainstorming sessions BS.4 Medicines Chest: 1 st examples BS.5 More antidepressant side effects BS.6 Antipsychotic switching	Brainstorming sessions BS.7 Variable mice drug responding BS.8 Personalised Tx depression BS.9 Biology of disruptive behaviours
09.00-17.00	Exhibition area		Exhibition	Exhibition	Exhibition
09.00-10.40	Auditorium Elicium 2 Forum Emerald Elicium 1		Symposia CT S.05 Electroconvulsive therapy CR S.06 22q11.2DS and schizophrenia risk TR S.07 New insights in compulsivity PR S.08 MicroRNAs and treatment ET E.02 ADHD and life course	Symposia CT S.13 Oxytocin in schizophrenia CR S.14 From impulsivity to habit TR S.15 Neural networks in disorders* PR S.16 Sleep and depression ET E.04 New treatments for anxiety	Symposia CT S.21 CNS drug repurposing CR S.22 Familial imaging in psychosis TR S.23 Stress as a risk factor PR S.24 mTOR in mental disorders ET E.06 CNS medication in pregnancy
10.40-11.15	Poster podium Poster & Exhibition areas Poster area		Travel award ceremony Coffee break Poster viewing	Travel award ceremony Coffee break Poster viewing	Travel award ceremony Coffee break Poster viewing
11.15-12.00	Auditorium		Plenary lecture PL.01 Neural correlates of chronic early-life stress	Plenary lecture PL.03 The role of motivation and reward in mental disorders	Plenary award lecture PL.05 Impulsivity and compulsivity: neural substrates and neuropsychiatric implications
12.00-14.00	Poster & Exhibition areas		Lunch	Lunch	Lunch
12.15-13.45	Poster area		Poster session	Poster session	Poster session
12.15-12.45	Poster podium		Rapid-fire poster session	Rapid-fire poster session	Rapid-fire poster session
12.15-13.00	Emerald				NS.01 How the Neuroscience Based Nomenclature can change my practice
12.15-13.15	Emerald			General assembly of ECNP members	
12.15-14.00	Elicium 2 Elicium 1	Satellite symposia C.01 Mania with depressive symptoms C.02 Optimising the treatment of MDD			
13.00-13.15	Poster podium		Poster award ceremony	Poster award ceremony	Poster award ceremony
13.15-13.45	Poster podium		Career development session CD.01 Making award winning posters	Career development session CD.02 How to give an effective talk	Career development session CD.03 A job beyond research
14.00-14.45	Emerald	ES.01: Emerging role of the carer			
14.00-14.45	Auditorium		Plenary award lecture PL.02 Can we improve speed and efficacy of antidepressant treatments?	Plenary lecture PL.04 Is it time for immuno-psychiatry?	Plenary award lecture PL.06 Anxious temperament: results from a translational neuroscience approach
14.45-15.00	Poster & Exhibition areas		Coffee break	Coffee break	Coffee break
14.45-16.30	Elicium 2 Elicium 1	Satellite symposia C.03 Defining remission in depression C.05 Functioning and schizophrenia			
15.00-16.40	Auditorium Elicium 2 Forum Emerald Elicium 1		Symposia CT S.09 Medications for FT dementia CR S.10 Pharmacological fMRI TR S.11 Interactions in psychosis PR S.12 New targets for treatment* ET E.03 Child mood disorders	Symposia CT S.17 Medications for autism CR S.18 Use of imaging in schizophrenia TR S.19 CNV in schizophrenia PR S.20 The gut microbiome ET E.05 Future of neuropsychopharmacology	Symposia CT S.25 Medication and fear extinction CR S.26 Biomarkers of suicidality TR S.27 Neuroimaging markers PR S.28 Inflammation and depression ET E.07 Atypical antipsychotic drugs
16.50-18.30	Elicium 2 Forum E104-107 Emerald Elicium 1	Symposia CT S.01 Adult separation disorder CR S.02 Biomarkers for clinical use? TR S.03 Brain circuits in addiction PR S.04 PolySia-NCAM schizophrenia ET E.01 Conversions			
17.15-19.00	Auditorium Elicium 2 Forum E104-107 Emerald Elicium 1		Satellite symposia C.06 Partial agonists in treatment of schizophrenia C.07 Cognitive dysfunction in depression C.08 Personalised treatment of schizophrenia C.09 Interest in and enthusiasm for meta-analyses C.10 Managing psychiatric emergencies	Satellite symposia C.11 Treatment of alcohol dependence C.12 Debating adult ADHD management in 2015 C.13 Cognitive dysfunction in depression C.14 Schizophrenia: investigating antipsychotics	
18.45-20.00	Auditorium	Keynote session incl. Keynote lecture KL.01 Prosocial primates: cooperation and empathy			
19.00-21.15	Emerald			Regulatory update session RU.01 Depression: inadequate treatment response	
20.00-21.30	Auditorium lounge	Welcome reception
